Front-End

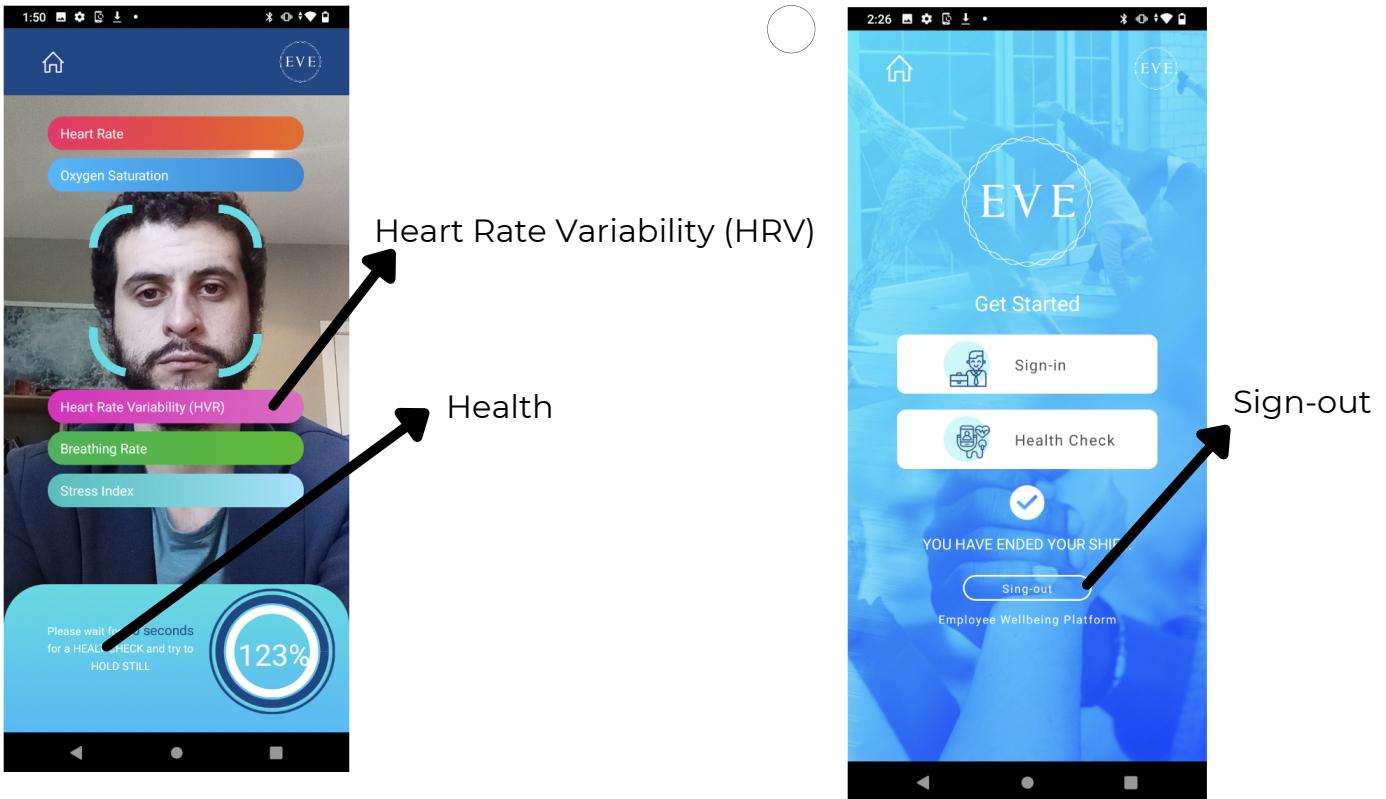

- Fonts - current is a default font and not Alice
 - Please advise if Alice is not available on Android/iOS and we will change to a new default font
- Login --> Start Shift --> Staff ID disappears after Clicking Start shift, but before Next Page appears (it makes user unsure if process has worked)

Solution: Remove the middle page (above) or add a loading feature until 'You have Started Your Shift' page appears.

The screenshot shows a blue-themed dashboard from the 'EVE' app. At the top, there's a logo and a message: 'Thank you for using the Eve Workplace Health and Wellbeing Portal. Here is a breakdown of your results and some Tips and Education on your general wellbeing.' Below this, there are several sections:

- Heart Health:** Shows a heart icon and a bar chart. An annotation points to it with the text '*Heart'.
- Heart Rate:** Shows a heart icon and a bar chart. An annotation points to it with the text 'Your Heart Rate is 65.7'.
- Heart Rate Variability:** Shows a heart icon and a bar chart. An annotation points to it with the text 'Your Heart Rate Variability is 34'.
- Breathing Rate:** Shows a head icon and a bar chart. An annotation points to it with the text 'Your Breathing Rate is 16'.
- Oxygen Rate:** Shows lungs and three circular progress bars. An annotation points to it with the text 'Your Oxygen Rate is 97.1'.

Tips and Education - Health: A section containing text about self-care and mental health.

Stress Index: Shows three colored arches (green, yellow, red) with scales from 0-1, 2-3, and 5. An annotation points to the middle one with the text 'Your Stress Index 2'.

Tips and Education - Health: Another section containing text about stress management.

Footer: Includes links to Beyondblue (1300 224 636) and Lifeline (13 11 14), and the Bloomfield Technology logo.
